

QTSD™ Goalkeeper Technical Development Coach

Job Title: QTSD™ Goalkeeper Technical Development Coach

Job Description: Quick Touch Soccer Development (QTSD™) is looking for an outgoing individual to work with our QTSD™ athletes & teams; educating through sound technical and tactical understanding of the game of soccer.

Job Format: Part-time role (*minimum of 2 days per week; 3 hours per day available*)

About Quick Touch Soccer Development (QTSD™): QTSD™ is a local leader in professional soccer training. Founded in 2013, our training company serves the needs of Columbus area athletes & teams with personalized soccer training opportunities. Regardless of what our athletes/ teams need, we meet them with personalized attention to help develop confident leaders; both on and off the soccer field.

What It's Like to Work Here: Ask our QTSD™ Coaching Team and the one word they'd use to working at QTSD™ is "great". Our team members all share a positive attitude, problem solving abilities and patience, enabling them to provide excellent soccer coaching whatever the challenge. Our culture, plus continuous opportunities for growth and further education, have helped us continue to grow to help athletes and teams across Columbus (*and Dayton*). Don't miss out on this rewarding opportunity to further your career while supporting athletes that love the game of soccer!

A Day in the Life of a QTSD™ Goalkeeper Technical Development Coach: As a professional educator our athletes and families interact with, you will help prepare goalkeeping specific training sessions, pre-set training space, execute fun yet challenging training sessions (*individual, small group, & teams*), and interact with families post training. This role will also help directors with various larger events such as Camps & High School Pre-Season events. Depending on the season, some coaching will take place in Westerville (*Mar-Nov*) while others may be in Gahanna (*Dec-Feb*).

Qualifications to be a QTSD™ Goalkeeper Technical Development Coach: No special certification/ license is required (*as we assist our QTSD™ Coaching Team in getting professionally licensed & certified*), but the important skills below will lead to success in this role:

- Knowledge of & experience with the game of soccer (*i.e. specifically goalkeeper as well as field player, current/past player or coach, etc.*)
- Professional communication (*verbal, email, & text*)
- Caring & patient attitude
- Detail oriented, well organized, and energetic personality
- A "teaching mindset" to help players better understand the game we all love.
- Previous licensure & coaching certification is a definite bonus!

If you are ready to take the next steps, click [HERE!](#)* to send us your coaching/playing resume and cover telling us why you'd be a great addition to the QTSD™ Coaching Team. We can't wait to hear from you!
